

LAKWOOD SHORES HOMEOWNERS ASSOCIATION PRIVACY POLICY

California law allows any member of the Lakewood Shores Homeowners Association to request and obtain a copy of the Association's membership list. This list includes members' names and addresses. The requesting member can only obtain the membership list if he/she articulates, in writing, a proper purpose for requesting the list that is reasonably related to his/her interest as a member of the Association. The purpose must be provided concurrently with the member's written request for the membership list.

If the Association's Board of Directors determines that the request is reasonably related to the requesting member's interest as a member of Lakewood Shores Homeowners Association, then the Board of Directors must direct the Association's managing agent to provide the member with the list, or provide a reasonable alternative, as permitted under California law.

If the Board of Directors determines that the request is not reasonably related to the requesting member's interest as a member of the Association, then the Board of Directors does not have to provide the list to the requesting member and the Association shall notify the requesting member accordingly.

California Civil Code Section 5220 allows a member to request to be removed from (to "opt-out" of) the membership list to prevent the unwanted disclosure of their private contact information to another member who is making a request for the membership list. To opt-out of the membership list, a member must notify the Association, in writing. By opting-out, the member is notifying the Association that the member prefers to be contacted via the alternative process described in Corporation Code Section 8330 (c).

If a member chooses to opt-out of sharing the member's name, property address, mailing address, and/or email address in the membership list, the opt-out designation shall remain in effect until changed by the membership via written notification to the Association's managing agent.
